

# Decorating the shrouds

There are many ways to decorate the shroud to personalise them in a way you see as fitting

You can use simple labels to write your farewell messages on

You can use simple labels to write your farewell messages on

In Holland they have been making polls to decorate and swathe over the shroud and remove them as keepsakes for family members and even pets for comfort blankets

## Decorating the shrouds

## Decorating the shrouds

The shrouds can be dressed with any type of flower or greenery and everyone can get involved ensuring each shroud is different.

Many forward thinking UK Crematoriums have used our shrouds all without any problems at all and have confirmed they will welcome any family with our shrouds
